Bishop Kendall listens to a three hour report of the positive things that are happening in our Northern Conference!

"BLESS THE LORD, O MY SOUL; AND FORGET NOT HIS BENEFITS..."

who satisfies your mouth with good things...." -Psalm 103:2 and 5a

At the beginning of this month, Bishop David Kendall came to encourage our pastors in Malawi, because of the challenges they have been facing since two of their superintendents resigned. It was so evident in the meetings conducted by Kendall that God is not finished with

his work in Malawi. God is calling all of us to remain faithful to Him, even in the midst of trials and disappointments. As the Psalmist indeed says, our Father will satisfy our mouths with "good things" if we continue to press on and serve Him.

The Northern Conference BOA spent three hours responding to Kendall's statement, "Tell me about some of the good things that are happening in your churches." At the end of the meeting, Kendall paused, leaned forward, and with a big smile on his face, said, "This has made my entire trip worth it!" He was so blessed to hear of their good reports, hard work, and passion to change lives with the Gospel.

Please pray for the work in our three Malawian Conferences to continue on and remain strong in the Lord.

Mrs. Lilly Chimimba blesses our Tsabango FMC with Bibles donated by a FMC in the USA. Thanks!

"This man was not a believer..."

Chimimba said with great joy as she was handing out Bibles to her fellow church members, "...but now he knows Jesus and his life has changed! May the Word of God strengthen him!"

For Prayer and Praise

1. Praise God for His resurrection and the life He breathes into our homes, churches, and world!
2. Praise God for Katie's sister and niece, Laurie and Sam Bertagna-Royal, who are visiting with us this month.
3. Pray for the 69 pastors' wives who are coming for a two-week training at GCS, and that the funding for this event would be complete.
4. Praise for the \$6,204 that has already been donated for the rebuilding of GCS's security wall and prayer the remaining \$28,996 we are still needing. [Click here](#) for more information on this project.

Ministry and Family Highlights...

Pastor Chimkango Builds Two New Churches to Strengthen the Spiritual Climate in His Community

Shortly after our arrival to Malawi, our fam-

ily visited Chimkango's church and village. Shepherding nearly 400 members, Chimkango

has a vision to see his churches continue to grow. Just recently we delivered iron sheets to help Chimkango roof two of the churches his church members built. Be pray-

ing for these churches to be filled with God's glory and His salvation.

Pastor Manyoni Plants a FMC in a Area That is Predominately Muslim

Statistics show that the muslim population in Malawi is relatively low. Yet having lived here for nearly a year, it is quite obvious that Islam is on the rise. Sensing that God has called him to plant a church in a town that is mostly muslim, Student-Pastor Andrew Manyoni is working hard for the Lord to make a difference for Christ amongst a people looking to Allah. Pray boldly for Manyoni's ministry as he experiences much resistance.

"Hey, There's 3 New Pups...How Cute...Uh-Oh, Now There's 4...5...You've Got to be Kidding...6...Yikes!...7...Okay, That's Enough!!!"

Anna Learns to Swim

Nearly every week we try and take our girls swimming at a local pool. Ryan has been giving the girls swimming lessons and it wasn't until just recently that Anna took off swimming on her own. One minute she couldn't

swim (or so she thought).

Then the

next minute she could!

Lydia will likely be swimming right beside her within a couple months.

Our Vision

At Team with Africa it is our heart to see Jesus use "us" (perhaps that also includes you!) to radically impact lives throughout all of Africa. Together we can do so much for Him--share the Gospel, heal the sick, feed the hungry, train up the next generation of African pastors, leaders and churches--by simply joining together as one team on fire for Him!
